

SHIELD (Suspect interrogation)

SIMON COLE

1. Where were you last night?

“I was starving since morning, so I went to grab a cheese sandwich .” He answered with a smile on his face.

2. What are your relations with Jasper Pixley ?

Thinking for a second or two, scratching his chin, he answered that “ As a contractor my job is to find the best man for the job given, hence I came to know about Jasper Pixley and I contacted him and offered him a job but he refused !”

3. Why did he refuse the job?

Even before anyone would even blink he answered professionally that, ” My job was just to offer him a job , but he refused; he might have his reasons (said raising up his shoulders) . I did not find it worthy to find the reason. ”

4. How do you know Martin Brown ?

“Same old story Sir. I contacted him to offer a job, even he refused!” Looking above at the ceiling said “May their souls rest in peace”.
