

SHIELD(Suspect interrogation)

Maren Pixley

1. Where were you last night?

Thinking for a fraction of second, she answered, "I was at The Royal Cruising Club with my friends for a birthday party".

2. We didn't ask you about the company you had last night....

Sweating and breathing heavily she stayed quiet.

3. How was your relation with Mr. Pixley?

With tears rolling over her cheeks, she said, "Our relationship was more than what every husband wife dream for".

4. How honest you were towards your relation, Ma'am..?

Fear captured her face, her eyes leaving the interrogator's stare, with trembling voice she answered, "I...I was...I loved him...I..I was happy with...", taking a deep breath she continued, "...with Jasper". She released her breath.

5. Did you find anything suspicious about him in last few days?

She thought for about a whole minute and then simply replied "No! He didn't even get enough time to speak with anyone. He seemed kind of busy with his work for last few months. "

6. Did you know that Mr. Pixley belongs to the lung donor list in ____ hospital?

Being enough sure, she instantly replied, " Yes. Jasper had informed me about his lung donation few weeks back."

7. Do you doubt anyone?

She thought deeply, took her time, though looked horrified. She replied, "Actually I don't have any idea. He never discussed his office-life with me."
