Date: 8 Sept. 2018

Round 1: Entrepreneurial Inclination Test

1. It's okay to do boring unchallenging work if I'm paid heavily.
2. Choosing difficult goals is my hobby.
3. I don't put my head into doing new or unconventional things.
4. Capable people refuse the coming opportunities if they fail once.
5. I rarely daydream.
6. Even if people disagree my point of view I always defend it.
7. The inborn qualities of human being ONLY matter. Efforts make no difference.
8. People found my intellection extraordinary.
9. For 100 Rs. I would buy a lottery ticket instead of playing rummy with 3 other people.
10. I accept challenges which enhance my capabilities.
11. Permanent job of 50000 is preferable than job of 200000 where there are chances of losing the job if you do not perform well.
12. In my own way I do my work perfectly, without caring thinking of people.
13. Bad times in business = bad luck of businessman.
14. I like to find out about things even if it means handling some problems while doing so.
15. If I'm facing problem in performing some task, I would move on to next task.
16. If I decided to do something, I am definitely do it.
17. I hate sudden changes in life.
18. I will take risks if the chances of success are 50/50.
19. Present and past matters me more than my- future.
20. For executing good idea of making money, I will borrow some money to enable me to do it.
21. It's okay if someone else takes lead in group I'm working in.
22. If we are able to get something, then we get it.
23. Guess work is bullshit.
24. Passion for work is more important.
25. I will get what I want if I please the people around by keeping control over myself.

26. Other thinks that I am inclined to ask lot of questions.
27. If plans I have, are having chances of 51% failure, I would not do it.
28. Being prompt is good thing.
29. I collect all the information about plan I'm going to do in future before I start it.
30. While dealing with tasks I need help.
31. Success comes only when you are at right place on right time.
32. Being well known about everything is quite enough than expert in once.
33. I would like to work with my life partner who is not good at job, instead of working with unknown person who is good at job.
34. Hard work is key to success not luck.
35. I use normal ways rather than unusual/unconventional ways in doing certain things.
36. The important decision is given by me without spending time in pro's and con's.
37. I would work as a team member over a project rather than taking whole responsibility myself.
38. For better things I'll prefer opportunities rather than have an experience.
39. I do what is expected of me and follow the rules.
40. For getting things destiny matters.
41. I like well organized, well managed smooth life.
42. Failure is not important for me while dealing with the challenges.
43. The other people's opinion matters a lot in things happening in my life.
44. I am multitasking.
45. I find it difficult to ask favours from other people.
46. Sometimes for better work I skip my daily routine like breakfast, lunch etc.
47. Something is better than nothing.
48. My uncle said to me I am not flexible.
49. Sometimes people fails due to their poor judgments.
50. I get confused while picking the one idea as so many are running in my head.
51. I find it easy to work only for week days not holiday.
52. I get purpose of my life due to my diligent attitude.
53. I find difficulties to adapt new things.
54. Taking assignments which gamble my life is my hobby.
