Club Service

This was the insightful starting of ELESA activity for academic year 2017-18. So the first club service started at its usual time 6:00 p.m. ELESAite Vrushali Shelake and Vishal Narkhede started the proceedings with a bit of humour and to make the present ones more energetic than they were. ELESAITE Amol and Tanvi were very helpful in making the audience cope up with lots of **Vedic Maths tricks** they would have ever thought off. They covered several tricks regarding solving squares, multiplication of $n \times n$ numbers, division by 8,9 and lots of more tricks which would better the time efficiency taken by a student for solving various problems.

ELESAITE Vishal and Vrushali then took a game which all were desperately waiting for. They named it **PEHCHAN KAUN**. Audience was distributed among 3 teams. They had dialogues recorded from several hit movies which were played and the teams were asked to guess the movie name. Everyone in the class enjoyed the game. The most awaited

moment was the Awards Distribution for the **SUMMER SPECIAL EVENTS**. Prize Winners were:

ELECTRONICS SENSORS CHALLENGE: MISS. SHUBHASHRI KUMBHAR

CONTROLLER/PROCESSOR CHALLENGE: MISS. SNEHAL PATIL

LOGO DESIGNING CHALLENGE: MR. HARSHAD UGALE

TAGLINE CHALLENGE: MR. ATUL ZINE

They were awarded with certificates and gifts to encourage their success. Now was the time for Mr. Shubham Mhatre, President of ELESa to have some session where he inspired the present ones to participate in various competitions conducted nationally/ internationally. The winning team was taken selfie with the organizers of the Club Service and official conclusion took place. The board members had a photo shoot for their Identity Cards.
