TREASURE HUNT

After the successful organization of GIM by ELESA for first year students, it was time for the all the ELESA members as well as the for the first year students to interact with their seniors and this time it was carried out with the help of TREASURE HUNT. All the students were informed to be present in Classroom NO. 11 by 6:00 p.m.

Students were distributed among four teams by the organizers and each team was provided with a Mentor who would help them throughout the treasure hunt. The area for treasure hunt was entire college. At 6:00 p.m. each team was given a clue and all of them started hunting treasure.

Each team had different clues as well as different path to find Treasure but the treasure for all four teams was the same which was IDOL. All the students after finding treasures were taken to classroom no.11 for Prize Distribution. Prizes were distributed to winning team and then officially Treasure Hunt ended around 7:30 p.m.
