CONFIDENTIAL

Mr. Simon Cole is one of the most talented and respected employee of the DEKINSON COPRS. company. He is an introvert and always minds his own business. As he is contractor for the company he always keeps his work secret. He is very conscious and specific about his work. He doesn't talk much. He is always seen busy on his phone or laptop handling his work.

He has good relations with everyone at the office. Despite of his good behaviour everyone has negative impact of him due to his indignant countenance. He was once countered menacing his colleague for not completing his work on the given deadline.

He is a money minded person. He has the very skill to convince others when it comes to money. He would never lose an opportunity where he could make a lot of money and fill his pockets.
