SUBJECT: Regarding permission for organizing mega event  
'ELECTROVERT' on 8<sup>th</sup> and 9<sup>th</sup> September, 2018 and campaigning of it.

Respected Sir,

On 8<sup>th</sup> and 9<sup>th</sup> September, ELESA is planning to organize a two day-event 'ELECTROVERT'. This event will comprise of nine different sub-events. It is a state level technical event, so we expect huge response as before.

That is why we urge you to grant permission for conducting this event. Also grant us the permission for the campaigning of our event. For campaigning, we would be requiring a counter, displaying our poster on the notice board and announcements in the classrooms.

ELECTROVERT comprises of many different technical competitions related to the different engineering fields. It will surely help the students in not only developing their technical skills, but also in dynamically shaping their personalities.

Also, we assure you that our presence will not cause any hindrance to the academic works of the college.

Yours sincerely,

Dr. B. G. Patil
