Dr. Dharmadhikari –

Please see my brief bio:

Sandeep Joshi is the Director of Asia Technology Innovation Center at John Deere. He has been with John Deere for the last 10 years. During this time, he has held leadership roles in business and operations, including heading the Intelligent Solutions Group – Torrance business unit in California. Prior to joining Deere, Sandeep worked in a variety of functions like engineering services, application engineering, marketing, and innovation consulting with MSC Software Corporation (now part of Hexagon AB) and Invention Machine (now part of IHS Markit).

Sandeep has an M.B.A. from UCLA Anderson School of Management, Los Angeles, California, USA. He has an M.S. in Mechanical Engineering from Clemson University, Clemson, South Carolina, USA, and a B.E. in Mechanical Engineering from College of Engineering, University of Poona, India.

Best Regards,
Sandeep
