## **General Interest Meet**

This was the insightful starting of ELESA activity for academic year 2017-18 for first year students as it was their first meet in college with the ELESA family. GIM for first year students was organized in classroom no.3. The proceedings began with ELESAite Swaroopa giving an introduction speech and making everyone laugh with lots of memes regarding engineering and her sense of humour. After her speech, all the present ones were introduced to recruitment processes that take place in college. The difficulties a student faces in his recruitment process like aptitude failure were brought to the notice of the students so that they get some knowledge regarding recruitment process. Vice-President Pooja and ELESAite Hrishikesh Nikam were the ones taking interview for recruitment.

ELESAite Atul and Sneha entertained everyone with the game named Who is the murderer. The next stage of recruitment process was technical failure. The proceedings were continued by ELESAite Dhanraj who took a technical session on PAPER ELECTRONICS which had a main topic related to paper circuits and furthermore technical quiz took place

in which students actively participated. Continuing to the flow and after some brainstorming sessions it was fun time. A game in which students were distributed among rows and each row had 10 questions to solve, the answers of which were numbers which when arranged would be a mobile number having some status which when decoded would be the answer and the row decoding first was winner. After such an entertaining game another recruitment stage failure took place which was then followed by a game named word chain in which the student sitting first would say a word which was to be continued by other students so that they form a meaningful sentence. Then finally in the recruitment process an ELESATE gets placed and all the present ones understand the importance of recruitment and gesture during interview.

Then Web Developer of ELESa addressed everyone by presenting ELESa activities and all about ELESaITES and a video regarding EYANTRA. Alhad then had a presentation on his robot which was very well built. Then ELESaITE Shantanu and Revati addressed everyone by their speech and at last President's Session in which President influenced everyone and motivated the present ones with his motivational words. **Vedant Jadhav** was awarded Performer of the day award for his active participation in GIM. The GIM officially ended at 8:15 p.m.

Mr. Ajit Attarde  
J. Secretary, ELESa
